ADOPT-A-BENCH

HONOR LOVED ONES & PROTECT THE CANAL

We are excited to invite you to Adopt-A-Bench as a meaningful way to honor a loved one or commemorate a milestone. Bench adoptions provide an opportunity to memorialize an important person or moment. They also serve as an incredible gift to the broader community, who will pause in nature's beauty and share in this place of reflection you've provided.

As one of the metro region's most treasured recreational and environmental assets, an intentional dedication will add to the exceptional experience the Canal provides. The long-term plan for re-purposing the Canal includes placing one bench every quarter mile for 71 miles and identifying gathering areas to install multiple benches.

Your tax-deductible donation of \$6,000 will result in placing a commemorative bench and its adoption for 10 years, allowing us to work towards fulfilling the Conservancy's goal to preserve, protect and enhance the Canal for future generations.

Secure your bench today!
