

ADOPT-A-TREE

HONOR LOVED ONES & PROTECT THE CANAL

LEAVE A LEGACY BY ADOPTING TREES ALONG THE HISTORIC HIGH LINE CANAL

Show your love for a person or event by making a meaningful dedication in their honor while supporting a vibrant future for the Canal's tree canopy. Users of the Canal tell us the sun glistening through the trees and the inspiration and joy experienced in nature make it a cherished asset in their lives. By adopting a newly planted tree, you will commemorate something special and join the High Line Canal Conservancy to fulfill our mission to preserve, protect and enhance the Canal.

Your tax-deductible donation of \$500 will help support our work in caring for newly planted trees that will beautify the Canal in concert with the existing mature tree canopy.
